05

Mood Board

Tone, feel, and imagery direction that represent our brand personality.

06

Usable Logos & Icons

Approved logo variations and icon sets.

01

Introduction

Introduction

At Viet Uc Clinic, our brand represents more than just healthcare—it embodies trust, care, and innovation. This Brand Guideline serves as a foundation to ensure visual consistency and a unified identity across all platforms. It defines the core elements that make up our brand, including the logo, color palette, typography, imagery, and usage rules.

By following these guidelines, we maintain a strong and recognizable presence, ensuring every interaction with our brand reflects professionalism, compassion, and vitality. Whether it's online, in print, or on social media, these standards help create a seamless and memorable experience for our patients and partners.

Logo Meaning & Concept

The logo embodies the message: “Dedicated healthcare, aiming for freshness and vibrant energy for every client.”

The harmonious blend of vivid colors represents trust, passion, and responsibility, reinforcing Viet Uc Clinic as a trusted and friendly symbol in the healthcare industry.

Symbolism

- **Flower:** Symbolizes care, vitality, and beauty, reflecting our goal of providing holistic healthcare for a better life.
- **Leaf:** Represents nature, growth, and renewal, emphasizing our focus on natural well-being and sustainable health.

Color Palette:

- Red Gradient – Passion, trust, and responsibility in every service we provide.
- Green – Freshness, balance, and life, ensuring our clients feel revitalized.

02

Logo Rules

Safe Zone

The safe zone, also known as the clear space or exclusion zone, is a designated area around your logo that should remain free from any other elements, such as text, imagery, or graphic elements. It is a crucial aspect of logo usage that ensures visual clarity, legibility, and the overall impact of your brand identity.

Logo Misuse

The safe zone, also known as the clear space or exclusion zone, is a designated area around your logo that should remain free from any other elements, such as text, imagery, or graphic elements. It is a crucial aspect of logo usage that ensures visual clarity, legibility, and the overall impact of your brand identity. lly.

Distortion and Alteration

Never distort, stretch, or alter your logo; always preserve its original design.

Color Manipulation

Your logo's colors are carefully chosen to reflect your brand's identity and evoke specific emotions.

Incorrect Scaling

Always preserve your logo's original design; do not distort, stretch, or alter it.

Low-Resolution or Pixelated Usage

Use only approved high-res or vector logo files; never stretch low-resolution versions.

Whitespace Separation

Avoid placing red, green, and blue immediately adjacent without whitespace separation.

Unauthorized Effects

Avoid adding shadows, glows, textures, or other effects that are not approved in the brand guidelines.

Unapproved Variations

Unauthorized modifications or variations of your logo should be strictly avoided.

Improper Orientation

Do not rotate, flip, or crop the logo inappropriately. Always display the logo in its intended orientation.

Substituting Elements

Never replace parts of the logo with other icons, fonts, or images. The logo should remain exactly as approved.

Neutral Backgrounds

Neutral tones should dominate layouts to let the logo and blue accents stand out.

Background Color Usage

Background color is an essential element of our brand identity. It sets the tone, ensures clarity, and provides a strong foundation for other visual elements such as logos and typography.

Logo Ratio

To maintain legibility and brand consistency, the logo should never be displayed smaller than the specified minimum size. This ensures that all elements remain clear and recognizable across different applications.

The minimum size ensures that all logo details remain visible and recognizable across different applications.

Minimum Size

To maintain legibility and brand consistency, the logo should never be displayed smaller than the specified minimum size. This ensures that all elements remain clear and recognizable across different applications.

The minimum size ensures that all logo details remain visible and recognizable across different applications.

Dark/Deep Blue Backgrounds

When the logo is placed on dark or deep blue surfaces (such as uniforms, signage, or digital headers), add a thin white outline around the entire logo.

- **Purpose:** Keeps the logo visible and prevents it from blending into the background.
- **Specification:** Use a clean 1–2 px (or equivalent) white stroke.
- **Important:** Do not alter the logo's original colors or proportions—apply only the white outline.

03

Brand colors

Brand Color

The Hibiscus + Leaf logo is a registered brand identity and must never be recolored. Its vibrant palette is integral to brand recognition and should remain untouched across all applications.

Primary

The three hues within the logo—Hibiscus Red, Hibiscus Orange, and Leaf Green—represent the heart of the brand.

- Logo colors (red, orange, green) must not be altered, replaced, or adjusted in any way.
- Always use the official digital and print color values provided in this guide.

Secondary Colors

To convey trust, professionalism, and modernity, a carefully selected blue palette supports the primary identity

Neutral Tones

Clean neutrals—white and soft grays—provide balance and breathing space, ensuring the logo and blue accents remain visually dominant.

05

Mood Board

Mood Board

Our mood board captures the overall tone & feel of the brand and defines the imagery direction that guides all visual communications. It serves as a creative reference to ensure consistency across all design elements, including colors, typography, photography style, and graphic elements.

This section reflects the emotional essence and aesthetic style of our brand, helping maintain a unified and recognizable identity in every touchpoint.

Tone & Feel

Trustworthy

Builds confidence in healthcare services.

Professional

Clear, structured, and reliable.

Compassionate

Warm, caring visuals that connect emotionally.

Modern & Clean

Simple, clean design with a fresh and hygienic feel.

Color Inspiration

Primary Blue

From the text (calm and professional).

Hibiscus Gradient

Red to pink-orange from the flower.

Leaf Green

For natural, health-related accents.

Neutral Tones

White (#FFFFFF) and light gray for a clean aesthetic.

Typography

Montserrat

Headings (modern and bold).

Segoe

Segoe – Body text (friendly and readable).

Arial

Fallback font for compatibility.

Brand Patterns

Our brand pattern is inspired by the red floral element of the logo, symbolizing care and trust. It enhances visual identity with subtle elegance and consistency.

Do Not Combine Colors: Avoid using both blue and red together in the same pattern unless it's part of an intentional gradient or combined design element.

Color:

Always use the original brand colors (Blue and Red) or lighter tones derived from them. Do not use unapproved colors.

Opacity:

10–20% for a refined look.

Application:

Ideal for backgrounds, stationery, and digital assets.

Imagery Direction

Our imagery should reflect trust, care, and modern healthcare. Images showing healthy lifestyle, exercise, happy families. Use authentic photos of real doctors and patients, not overly staged stock images.

Lighting:

Bright and natural.

Colors:

Clean, light backgrounds with brand tones.

Subjects:

Doctors with patients, family care moments, modern facilities.

Mood:

Warm, professional, approachable.

Composition:

Minimal clutter, focus on people and care.

06

Usable Logos & Icons

Usable Logos & Icons

To maintain brand consistency across platforms and backgrounds, use only the approved logo variations without altering proportions, colors, or adding effects. Follow minimum size and clear space requirements for readability, and add a thin white outline on dark or deep blue backgrounds (e.g., uniforms) for visibility.
