About Us

The Taupo Hospital & Health Society:

Our Mission:

- To assist in the continuation, and development of health care services for all persons within the Taupo Region.
- To promote whatever may seem helpful to those people in need of physical, mental, or spiritual health care irrespective of race, creed, or religious affiliation.
- To use the funds of the Society as the Society may consider supporting and assist the Taupo Hospital, whether financially or otherwise by gift or loan or in any other way the committee considers appropriate.
- In addition to provide support for the advancement education, promotion or benefit of any organization's requiring support which is in accordance with the aims of the Society.

Entity Structure:

- The Society was Incorporated on 3rd September 1992 under the Incorporated Societies Act 1908 of New Zealand. The Charitable Funds are held under Charity Deed registered at the Charity Commission on 19th June 2008. We are governed by a committee of volunteers consisting of Chairperson, Vice Chairperson, Secretary, Treasurer, and ordinary committee members. We have no employees but use an administrative service to assist the Chair and the Treasurer as required.

Chairperson's report

With the successful fundraising for the Echocardiogram I thought it appropriate to start with an update of how this has benefited our community. Thank you to Lakes DHB for providing this information.

Echocardiograms Completed

Total number of Echo performed in Taupo since January 2020: **261**

Echocardiogram Wait List

Priority	Number waiting	Wait time
Routine	4	3 months
Semi-Urgent	6	All have appointments in September
Urgent	14	All have appointments in September

Please note that over half the monthly workload for the Echo service comes from planned/staged/surveillance follow up which are not reflected in the wait list numbers. Though wait list numbers are low, patient throughput will remain high.

Echocardiogram Targets

Our target since the launch of the service has been 10 appointments per week (the number of scans differs to the number of appointments due to DNA and cancellations). This calculation was done based on the number of scans per month at the time, and the number on the extended wait list - i.e. the number we needed to do to continue to meet demand *and* start reducing the wait list.

We launched the service the week of the 20th of January. In April we did no scans in Taupo due to Covid-19 but increased our capacity in June and August in order to gain back some of the lost ground. Since the disruption from the Covid-19 lockdowns, compliance with target appointment volume per week has either been met or better.

In January, the wait time for a routine echo was 9 months, now in September the wait time for a routine echo is 3 months. This meets the 'Appropriateness Guidelines for Adult Echocardiography NZ' guidelines as an acceptable timeframe for a routine echo. So, in effect, we are already 100% through the target. However, I would like to see us sitting under the 3-month mark to ensure routine patients are seen 'within' 3 months.

A wait list is never a static thing, and I suspect there will be un-met need from people avoiding health care providers in the face of Covid-19. From here on out, our target will be to continue to keep the routine wait list under 3 months.

2020 has been a quiet year for the Society due to Covid-19.

There have been a couple of changes in our committee with two of our hard-working members resigning and they are Sylvia Robertson and Viv McSherry. Thank you for your time and passion and I wish you the best.

At present our committee consists of the following:

Chairperson: Lil Hancock; Vice Chairperson: Mark O'Callaghan; Secretary/Treasurer: Deb Davies; Patron: Les Winslade; David and Sandra Foss, Fita Alofa, Neha Contractor, Gilma Orozco, John Williamson and Ellen Kinred.

I welcome our Society's Administrator - Aimee Clark to her first AGM. She has been in this role since February this year. With

Covid-19 it hasn't been an easy transition for Aimee, with her study severely affected, and for all of us the anxieties of the unexpected with lockdowns and restrictions.

A huge thank you to our honorary solicitor – Alan Vane who has assisted our Society in ensuring that our efforts are adhered to. Also, to Ange Guy – Site Manager for Taupo Hospital, thank you.

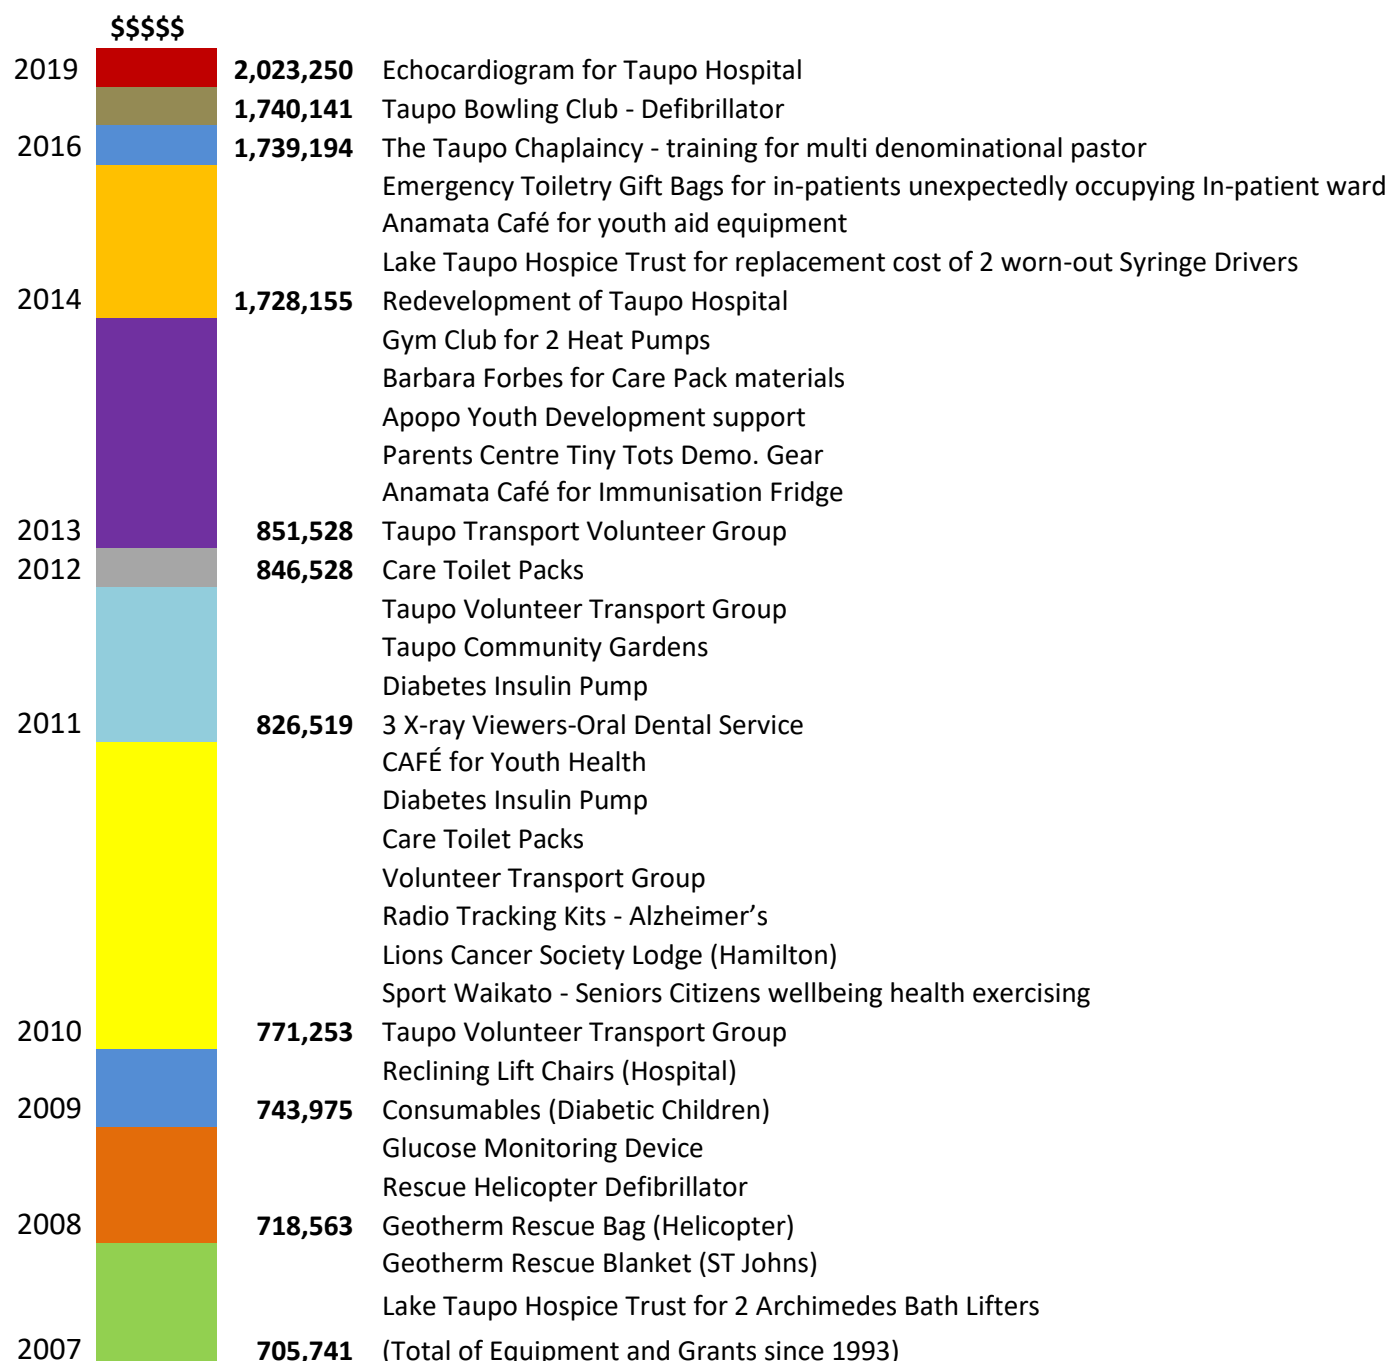

There are to be changes to the DHBs in New Zealand and it is therefore timely that Lakes DHB CEO - Nick Saville-Wood provides an overview of these changes at this AGM.

Please join us and light refreshments will be available during our AGM.

Value of Grants & Equipment Purchased

By 2014 enough generous Bequests had been received to permit the Grant of \$850,000 towards the restructuring and refurbishing costs of the Taupo Hospital. Last year the Society was successful in fundraising for an Echocardiogram for Taupo Hospital.

Reminder: All subscriptions donations are tax deductible. Simply write to IRD Wellington Mail Centre, Lower Hutt quoting your IRD number requesting an IRD526 Form. Add up all your claimable receipts, fill in total and attach the receipts to the claim form. If you have not claimed previously and kept receipts, you can claim on any receipts still held, up to the previous 5 years. IRD will credit your bank account directly with the credit claimed.

Treasurer's report

Tena koutou katoa!

I am pleased to present my Treasurer's report on the 2020 Audited Financial Statements for Taupo Hospital & Health Society Incorporated (THHS)

All financial reports are prepared using Charities templates (Tier 3) and are reviewed by the auditor (Dixon & Co), however for the purpose of the AGM and the Annual booklet a simplified version has been used.

ECO Project:

This Financial year highlighted amazing support from our Taupo Community & Committee as the ECO cardio project started in the 2019 Financial year, and then finalised in the 2020 Financial year.

The reflection of this meant the Financial statements showed a surplus in 2019 year and the 2020 year shows a loss.

As at November 2019 a donation was made to Lakes DHB for the purpose of purchasing a new ECO cardio machine at a cost of \$283,109. The project target was originally set at over \$300k however, as the fundraising efforts clearly showed achieving our goal, we then tendered out to suppliers to negotiate a better price.

The Committee and the Taupo Hospital team acknowledge and appreciate the efforts by all who donated, assisted, and supported this project.

Memberships:

As at 1 st July 2020 our Membership stands at:	
Ordinary Members	72
Life in Perpetuity Members	158
Corporate Members	5
Club Members	2
Deceased Members	6
Total Financial Members = 243	

This year our focus shifted from collecting membership fees to receiving donations and then Covid pandemic hit our shores. As a committee we acknowledge the financial strain for some of our members to renew their fees and have decided as a Committee to waive collecting any membership fees for the next 12 months.

We thank all our members for their continued support and hope you are all keeping safe over these uncertain times.

A big thank you to our Patron Les Winslade, who has been a huge advocate for increasing our membership, even at 100 years old he has paved the way to fundraise, encourage and generally care for his community.

AGM Booklet:

Last year the committee revamped the look of our AGM booklets and hand delivered to ALL our members and sent out copies to our amazing donors as a way of showing our gratitude. The costs for printing our booklets this year has been kindly picked up by the Lakes DHB, of which the Society are most grateful.

- The following pages show, Financial statements and Audit Statement

I thank you again for your continued support and look forward to updating you next year.

Nga mihi!

INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT

To the Members of Taupo Hospital & Health Charitable Society Incorporated

We have reviewed the accompanying performance report of Taupo Hospital & Health Charitable Society Incorporated which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 30 June 2020, the statement of financial position as at 30 June 2020, and the statement of accounting policies and other explanatory information.

Committee's Responsibility for the Performance Report

The Committee members are responsible on behalf of the entity for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable, and understandable, to report in the statement of service performance.
- b) the preparation and fair presentation of the performance report which comprises:
 - the entity information.
 - the statement of service performance; and
 - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit), and
- c) for such internal control as the Committee determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the performance report. We conducted our review of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400 (Revised), Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity, and the review of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Those standards require us to conclude whether anything has come to our attention that causes us to believe that the performance report, taken as a whole, is not prepared in all material respects in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit). Those standards also require that we comply with ethical requirements.

A review of the performance report in accordance with ISRE (NZ) 2400 (Revised) and ISAE (NZ) 3000 (Revised) is a limited assurance engagement. We will perform procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluate the evidence obtained. The procedures selected depend on our judgement, including the areas identified where a material misstatement is likely to arise and includes performing procedures to obtain evidence and evaluating whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand) and ISAE (NZ) 3000 (Revised). Accordingly, we do not express an audit opinion on the performance report.

FINANCIAL REPORT

Treasurer Deb Davies presented the Society's Annual Accounts year ending 30th June 2019.

Key Points to note;

- Balance sheet for 2019 clearly shows an increase on 2018 year due to the ECO Heart Project, Funds available is \$350k less LIP funds.

- Net Profit is healthy as at 30th June this is influenced again by the ECO Heart Project at \$133k an increase of over \$120k on 2018 year.
- The society has now upgraded technology with the purchase of a new membership database called Infoodle. This enables our admin to generate more accurate records and to send data through to Xero (Accounting software) to produce a reminder invoice to ALL our members and to new members. (The treasurer requests feedback from members)

Changes to 2018 Financial reports

As reported the 2017/2018 Annual Accounts were reported incorrectly at last year's AGM. This was due to a coding error. Unfortunately, our Treasurer at the time Mr Ivan Rudd was very ill and did not inform us that we were behind in our audit process. The accounts were audited after the AGM and the discrepancy was discovered and resolved. The Net Profit was reported at \$3348 however the correct figure was \$5363, this is now showing in Annual reports presented for 30th June 2019.

We would like to acknowledge Ivan for his contribution to the Society over the years, he sadly passed away last year after our AGM.

Resolutions:

1. **Moved THAT the Financial Report be accepted as true and accurate record of the Society's Receipts & Payments Accounts and Balance sheet for the year ending 30th June 2019.**

L Hancock/D Davies **CARRIED**

2. **Moved THAT amended and corrected Financial Statements for the Year ending 30th June 2018 as tabled at the 2019 AGM be approved".**

NOMINATIONS TO THE COMMITTEE:

We acknowledge all new nominations received to be part of the Society's committee.

1. **Gilma Orozco** (*formerly the Society's Administrator for 7yrs*) – received prior to the AGM meeting
2. **Ellen Kinred** (*Ngati Whatua/Tainui*) – received prior to the AGM meeting
3. **John Williamson** (*Taupo District Councilor*) – received on the AGM day

Retirement of a committee member

This year because the committee are fortunate to have 13 people interested in joining our committee this has meant the Society has had to refer back to our Constitution for guidance.

Refer to Rule 16 states.

The committee shall consist of not less than six and no more than twelve committee members.

Page 7, rule 17 states.

At the time of such Annual General Meeting if committee members exceed 12 then the criteria is to retire members by first identifying the longest serving committee member. This process continues until the committee complies with rule 16.

Unfortunately, Betty Rosanoski who is the longest serving member to date has been informed of this rule and retirement notice has been given. The Society would like to acknowledge Betty's dedication over the years and take this opportunity to appreciate her efforts and valued service to the community. We wish her well for the future.

Resolution:

Moved THAT the Society appoint Gilma Orozco, Ellen Kinred and John Williamson as committee members to the Society and apply rule 17 to retire longest serving committee member to comply with rule 16 of the constitution

L Hancock/L Winslade **CARRIED**

APPOINTMENT OF AUDITOR

The Chairperson informed that Dixon and Co Auditors have been appointed to continue to be the Taupo Hospital and Health Society's Accountant

Resolution:

Moved THAT the Society appoint Dixon & Co as the Auditors to the Society for 2019/2020 financial year.

L Hancock/D Davies **CARRIED**

APPOINTMENT OF HONORARY SOLICITOR

Alan Vane agreed to continue to be Taupo Hospital and Health Society's Honorary Solicitor.

Resolution:

Moved THAT the Society appoint Alane Vane as the Society's Honorary Solicitor

The Chairperson advised that the Annual Ordinary Membership Subscription be kept at \$10. The Life in perpetuity and Corporate membership will also be kept at the current rate of \$100.

Resolution:

Moved THAT the Annual Subscriptions remain as status quo for the financial year 1st July 2019 to 30th June 2020.

L Hancock/I Foster **CARRIED**

GENERAL BUSINESS

Echo Heart Scanner Fundraising Update.

Deb Davies informed that as at today the Society has a \$59,000k shortfall for the Echo Heart Project. However, the Society has been given in writing that this shortfall will be covered by 3 donors. Therefore, she advised the ECO Heart Project target has been achieved. All funds should be in by October.

The Chairperson informed that the committee has requested a separate variation agreement to be drafted by the Society's lawyer with the Lakes DHB. This is separate from our existing Memorandum of Understanding. The variation is to clearly state that the funds gifted from the Society to the Lakes DHB must be used for the purpose of an ECO Cardio Heart Machine and cannot be used for any other equipment/purpose.

Resolution:

Moved THAT the Society's solicitor be engaged to prepare a separate agreement with Lakes DHB for the proposed Echocardiogram acquisition, which agreement will supplement the existing memorandum of Understanding with Lakes DHB".

A Vane/C McElwee **CARRIED**

Change of role

The Chairperson informed that the Society's Administrator, Gilma Orozco has resigned and would like to acknowledge Gilma for her hard work over the years and welcome her new role on our committee. Her contribution we know will be invaluable.

Quilt Donation

Taupo Quiltmakers Club has donated a beautiful quilt to our Society for the purpose of selling to raise funds. The committee have decided to auction the quilt and place on Trademe with a reserve of \$1500. A big thank you to the Taupo Quiltmakers Club for their hard work.

New Project Proposal 2020

The Chairperson informed that our committee have approved to investigate for our next project which it is called; "The Project Cancer". We invite everyone to engage with us as we see this project placing Taupo back on the map again!

Lakes DHB Presentation

The Chairperson introduced the guest speakers who are both from the Lakes District Health Board: Nick Saville-Wood (CEO) and Alan Wilson (Chief Operating Officer). The team presented a brief power point to highlight what is happening in the world of Health and Lakes DHB.

CLOSURE OF MEETING

The Chairperson invited all present to join the Committee in refreshments after the Guest Speakers.
